

## Children's Church – Sunday 18<sup>th</sup> October St Luke's Day – The Sending of the 72

Jesus sent 72 of his followers out to spread the word about him. He told them they did not need to take anything with them – no money, no bag, and not even any sandals! This is because he wanted them to understand that they didn't need anything but a faith in God and God's love to be able to tell everyone else about him!

That's amazing. We are so used to needing things with us when we go out. Think about all the things you might take to school!

But when it comes to loving Jesus and telling other people about him we need nothing more than his love to be able to do it!

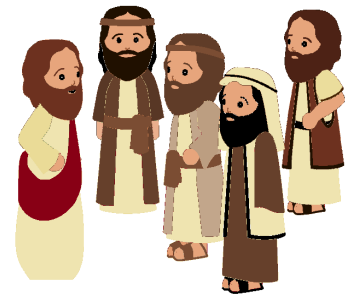

### **Song:**

When I Look Up

This song reminds us how much God love us and that he is always there for us

**Craft:**

Jesus wants his followers to go out and tell people about him, and to help others as he would do. You can make bare feet to follow Jesus to remind you of this!

Draw around your own feet and cut them out. On one side of each write "How I can follow Jesus". On the other side write down or draw things you can do to follow Jesus – such as "Be kind", or "Help others".

Drawing round your bare feet will remind you that the followers in Jesus' time did not need sandals! They just needed Jesus' love and faith in him!

**Prayer:**

Dear Lord

Thank you for giving me everything I need through your love. Help me to see that this love is the most important gift and makes me strong to go out in the world in your name.

Amen
