Craft:

This hand and the hearts on the fingertips represent how we can count on God's love – He is always within reach!

To make your own, cover your palm and fingers in paint and press onto a piece of paper. To make the little hearts, dip your thumb in paint – red, pink and purple work well, but you could choose your favourite colours to make it special to you. Then press your thumb down onto the fingertips of your handprint, once slightly to the left and then the second time to the right, as shown in the picture.
