## Children's Church – 9<sup>th</sup> August Matthew 14: 22-33 Jesus and Peter walk on Water

### Video:

<https://www.youtube.com/watch?v=oVy9HGr3Qig>

When Jesus walked on the water he called upon Peter to walk towards him and do the same. When Peter had faith in what Jesus was saying he was able to do it. Then he became afraid and fell into the water. Why do you think that happened...?

Can you think of a time when you could have **faith** that Jesus will help you?  
Having **faith** in someone means truly **believing** in what they say.

## Activity:

Fill two clear drinking glasses with water. Stir three tablespoons of salt into one of the glasses and label it **FAITH**. Label the plain water **DOUBT**. Then make Peter – with an egg! Draw a face on the egg. Gently drop the egg into the **DOUBT** water and see what happens. Then drop the egg in the **FAITH** water. What happens to it now?! Remember that Peter floated when he had faith, and then sank when he doubted!

## Prayer:

Dear Lord

Please help me to remember that I can always count on you. Let me see that with **faith** instead of **doubt** I can do so much in my life with your help.

Amen
